

SABMSPRO: 15 - Environmental Policy

System Air Pty Ltd is committed to minimising the impact of its activities on the environment, through continuous improvement we will achieve;

- ~ Compliance with environmental regulations in all areas of operations
- ~ Minimise the environmental impacts through the use of integrated environment management procedures and strategic planning
- ~ Reduce both waste and the consumption of resources (materials, fuel and energy) and to commit to recovery and recycling, as opposed to disposal where feasible
- ~ Reduce or eliminate the production of substance releases that may damage the environment
- ~ Provide education and training to all staff to raise awareness of environmental issues

All employees have an obligation to cooperate with, support and promote environmental issues at the workplace.

Greg Dalton
Managing Director
System Air Pty Ltd
